

VENTÜER TECHNICAL DATA SHEET

CDG-Series Aluminium Door Grilles

Features:

- Natural anodised aluminium construction.
- 60% free area.
- Inverted chevron "V" blades provide vision proof appearance.
- Two piece telescopic frame results in equal appearance from both sides of the door.
- Suits doors from 25mm to 45mm thick.
- Clips located on the inner frame of the door grille snap fit the outer frame, eliminating the need for visible rivets or screws.
- Security door grille (flat bar welded to face) available on request.
- Non-standard sizes can be manufactured if required.
